### Walk-In Vaccinations Now Available at the Shoreline Center Vaccination Site

The UW Medicine North King County Vaccination Clinic in Shoreline is now providing walk-in vaccinations for Moderna first and second doses for anyone 18 years and older and Pfizer first and second doses for anyone 12 years and older.

**12 – 15-year-old vaccinations will begin Thursday, May 13th**

Located in the auditorium at the Shoreline Center (18560 1st Ave NE, Shoreline, WA 98155), the clinic is open Monday through Friday, 7:30 a.m. to 7:00 p.m.; and Saturdays from 9am to 1:30pm. The best access is through the North parking lot off of 1<sup>st</sup> Ave NE between the Auditorium and Tennis Courts.

This UW Medicine vaccine site is operated in partnership with several North King County fire departments and the King County Vaccination Partnership, which serves to vaccinate as many King County residents as possible – equitably, efficiently and quickly.

For more information on the COVID-19 vaccine, visit [uwmedicine.org/coronavirus/vaccine#faq](https://uwmedicine.org/coronavirus/vaccine#faq).
